

## HouseMaster *Sewer Line Video Inspections*

### HouseMaster Now Offers Video Sewer Line Inspections

Roots can penetrate and crack underground sewer lines. Vacant home sewer lines dry out and crack. Previous owners sabotage the sewer lines with foreign objects!

Avoid expensive unforeseen repairs by having **HouseMaster** inspect your sewer lines by video.

Sewer Line Video Inspection includes...

- Penetrating Video Footage of Your Sewer Lines
- Results on DVD & the Web
- Onsite Analysis & Review

Plumbers charge a premium for this type of service. **HouseMaster** can save you time & money!
